

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But Sinclair has control over airways is planning to air one-sided ads on their stations. This is a clear violation of Federal Law. Media ownership rules need to be strengthened. Their license renewals need to be examined carefully and not just renewed without scrutiny. Thank you very much
